*"Those who teach the most about
humanity, aren't always human."
Donald L. Hicks*

My name is Ollie! I am 5 years old and I am lost in the human world!

Hey little one, do you feel lost sometimes?

Here, take a walk with me.

I promise there are fun things to see.

Go ahead, turn this page...

A fluffy brown dog is sitting on a light pink floor in a clothing store. In the background, there are several black silhouettes of people wearing various styles of dresses and skirts. A white speech bubble is positioned above the dog.

My name is Ollie! I am 5 years old, I am lost in the human world and I am very scared!

Hey little one, do you feel scared sometimes?

A marching band in red uniforms with white stripes on the pants and red hats with white plumes is marching from left to right. The band includes a conductor, a bass drum player, and several trumpet players. A small, fluffy brown dog is standing on a grey floor to the left of the band, looking towards them.

Look, here comes the marching band!
Let us have fun BUT first hold my hand.

My name is Ollie! I am 5 years old, I am lost in the human world, I am very scared and I am feeling hungry and grumpy!

Hey little one, do you feel hungry and grumpy sometimes?

Play this game with me.

I say bunny.

And you say honey.

What about a honey gummy?

But don't have too many, it's bad for your tummy!

My name is Ollie! I am 5 years old, I am lost in the human world, I am very scared, hungry and grumpy, and I am feeling very lonely.

Hey little one, do you feel lonely sometimes?

Come with me.
We will find some friends before this story ends!

LOOK...

A pink dove
I think you will love.

And a Princess frog
resting on a brown log.

That's odd...

My name is Ollie! I am 5 years old, I am lost in the human world, I am very scared, hungry and grumpy, and I am feeling very lonely.

We know that little ones can also feel that way. "Do not give up," is what Ollie would say.

Hi, I am Leila. Do you want to be my friend?

Yes!! Now come on, let's play!

Now let us replace:

I was lost and now I found my way.

I was scared and now I am safe.

I was hungry and grumpy
and now my tummy is Oh so very happy.

I was lonely and now Leila is my friend.

Never give up on your journey to happiness.

THE END
