*\*woof woof\**

*Do you like animals?*

*Do you have a pet or want to have a pet?*

*We are here to help you take care of one so you can  
enjoy your time with your fluffy furry friend!*

*Doggo the dog will talk to you about dogs!*

*And Kitty the cat will talk to you about cats!*

## Chapter 1:

### *Do's and Don'ts of taking care of dogs!*

*It's Doggo the dog here! \*woof woof\*  
This is how you should treat me and my fluffy  
furry dog friends*

*We need to be walked everyday in order to poopoo and peepee*

*Please be patient with me on the walk, I like to choose the best spot to do my business!*

*We love it when you share your hooman food with us but please be careful! we cannot eat all hooman foods!*

*Did you know that we cannot eat chocolate or any sweets? It will make us blind! So please do your research or ask a vet before you feed us your delicious hooman foods*

*We love pets and belly rubs! But please be gentle when touching us*

*We love playing and goofing around with you, but please don't be too rough with us! We don't want to get hurt or injured*

*Just like you hoomans, we need to eat, drink, and exercise everyday, doing this will keep us healthy and happy!*

## Chapter 2:

### *Do's and Don'ts of taking care of cats!*

*It's Kitty the cat here \*meow meow\**

*This is how you should treat me and my fluffy  
furry cat friends*

*We love it when you hoomans show us attention  
and affection but sometimes we need our alone  
time*

*We love yummy food, but don't feed us too much!  
Or else we will get very fat*

*Just like you hoomans we poopoo and peepee!*

*We need a litter box to do our business*

*Our fluff and fur sheds a lot, please don't get mad at us for that, we can't control it! Brushing our fluff and fur can help reduce our shedding!*

***We like to sleep A LOT, don't worry about us!***

***We just realllyyy like our sleep***

***We, Doggo the dog and Kitty the cat would like to end this meowing and barking by saying that we love hoomans and appreciate you hoomans so much! We are not toys or dolls, we are animals with feelings and emotions! We can feel pain, we can be sad, and we can also be happy. Please take care of us properly so we can have the best time ever with you hoomans and be the best pets you can ever ask for!***
