

SHADI AND FADI

In a lively neighborhood, the air was filled with laughter and excitement. Children played in the streets, their voices echoing joyfully in the warm sunshine. It was a perfect day for adventures and new discoveries.

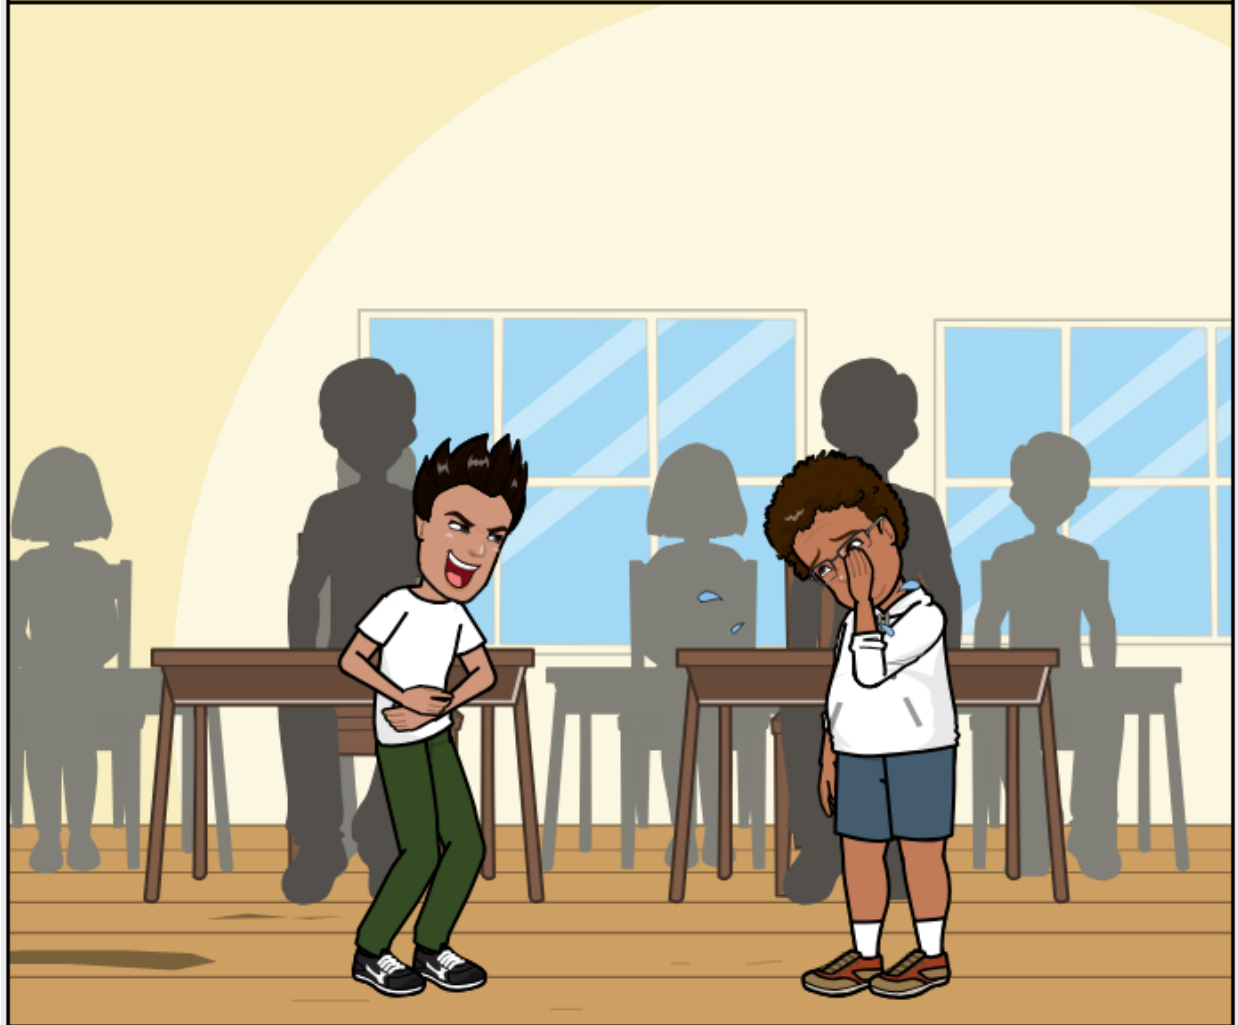

Meet Fadi. He was a gentle soul with a heart as big as his smile. Fadi didn't like to be the center of attention, but he was always there to help a friend in need.

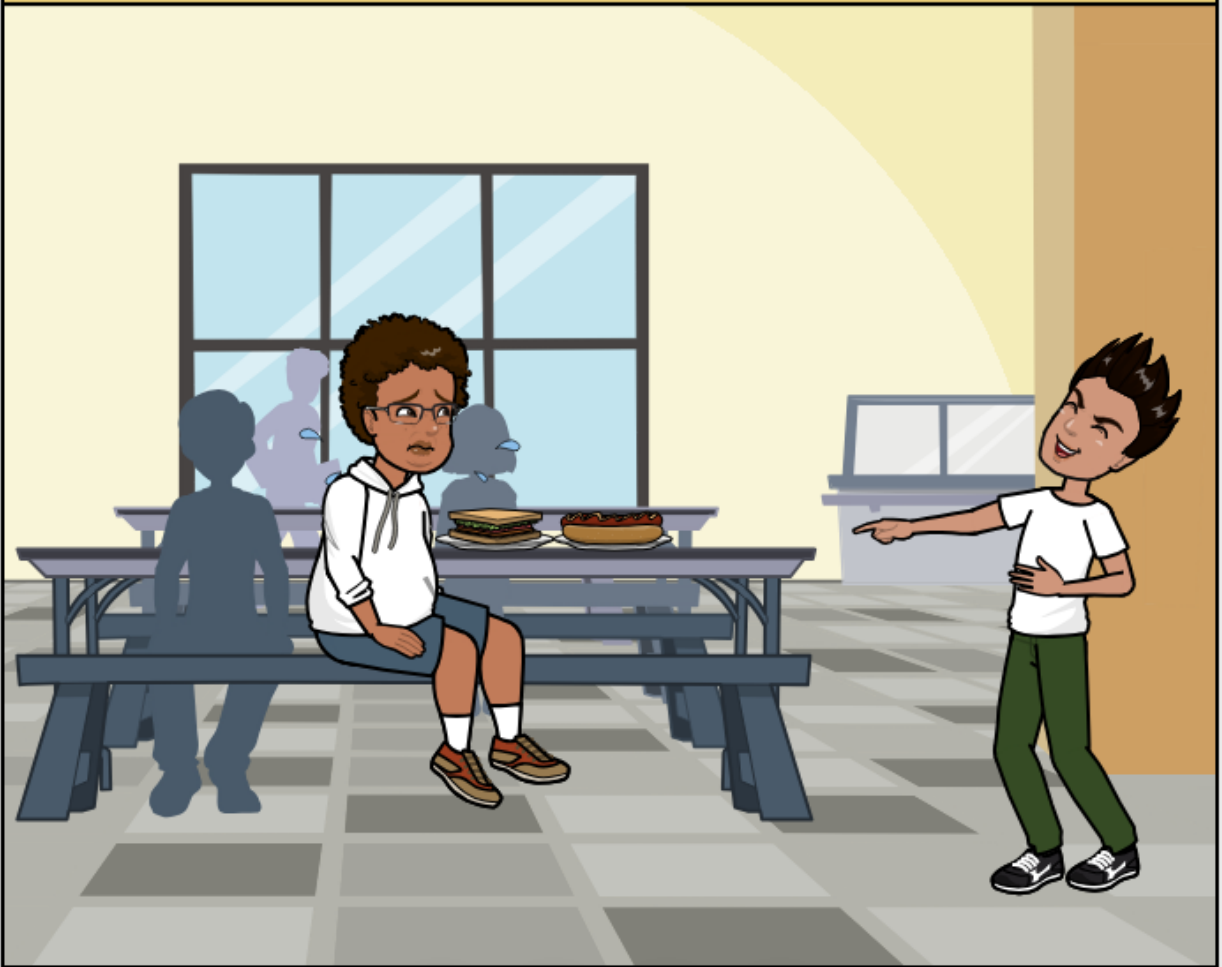

And here's Shadi. He loved excitement and often found himself in the middle of trouble. Shadi enjoyed making jokes, even if they sometimes hurt others' feelings.

At school, Shadi would always make fun of Fadi for how he looked. Shadi's words would hurt Fadi's feelings and make him feel sad.

At the cafeteria, Shadi made fun of Fadi for having a big lunch he said “Wow, Fadi! Are you going to eat all of that? You're as big as an elephant!” This made Fadi very sad.

One day, Shadi forgot to bring his lunch to school. He felt hungry and embarrassed. Seeing Shadi's empty hands, Fadi kindly offered to share his own big lunch. There was enough for both to enjoy together.

While they ate, Fadi said to Shadi, "I'm having a birthday party. Do you want to come?" Shadi smiled and said, "Yes!"

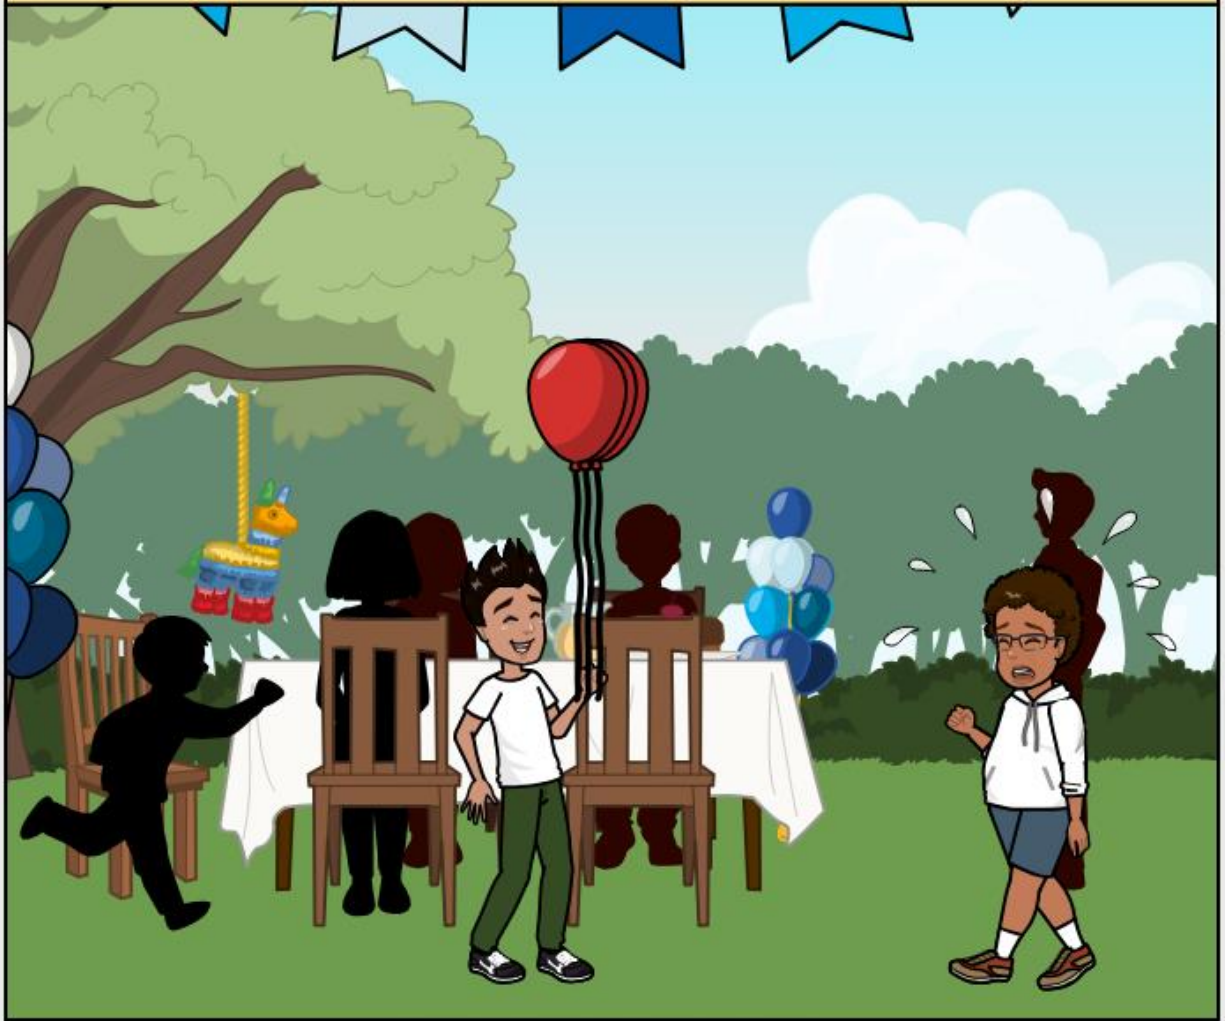

It's finally Fadi's birthday party! The yard is filled with colorful decorations and balloons dancing in the breeze. There are games to play, music to dance to, and laughter fills the air.

Shadi sees Fadi's bright balloons and decides to play a trick. He snatches them away, leaving Fadi feeling sad without his colorful balloons.

With all the balloons in his hand, Shadi begins to float away into the sky. Shadi is scared and starts crying for help.

Hearing Shadi's cries, Fadi rushes to help. He grabs Shadi's leg and pulls him down using his own weight, stopping him from floating away.

With Shadi safe, the kids at the party then are dancing around to the music. Each of them is showing off his cool moves.

Excited to join the dance, Fadi tries to show off his moves. However, Shadi makes fun of him, teasing him for his weight and his dancing skills. "Wow, Fadi, your dance moves look like a hippo on ice skates!"

Fadi's smile fades as Shadi's words hurt. Feeling sad, Fadi stops dancing and hangs his head low. Sensing an opportunity to take the spotlight, Shadi steps forward and boasts, "Alright, watch and learn! I'll show you how it's done!"

Shading starts dancing to the music and showing off his cool moves. Suddenly, there's a loud rip as his pants tear while he's mid-dance move.

Shadi is embarrassed by what happened. He starts to cry as the other kids laugh at him.

Seeing Shadi upset, Fadi takes off his big jacket and offers it to him. It's so big that it easily covers the hole in Shadi's pants.

Shadi, feeling embarrassed and alone after the other kids laugh at him, realizes how he hurt others with his teasing.

Shadi approaches Fadi and apologizes to him for how he treated him earlier. Fadi understands and forgives Shadi.

Shadi and Fadi smile together, and they are happy to be friends. They join the other kids in dancing and having fun together.
